SELF-CARE JAR

Take a Bath

You are so Loved

- 1. When the child is calm and all is well, have them generate ideas of things they can do when they are having big feelings.
- 2. Have the child list each "self-care" idea on strip of paper.
- 3. Find a Jar or Box for the child to decorate and keep in their space.
- 4. Add each piece of paper to the jar for safe keeping.
- 5. When the child is dysregulated, encourage them to go to the jar and select an idea to try.
- 6. This gives them some control and mastery over their self-care practices.
- 7. You can do the same thing with affirmations or "love notes" for the child.
